Subj: MANDATORY ASSIGNMENT TO MILITARY FAMILY HOUSING

Ref: (a) COMFLEACT Yokosuka ltr 11101 Ser N93/218 of 3 Apr 20

1. Due to the current environment and challenges we continue to face with respect to Coronavirus (COVID-19), I am maintaining the mandatory assignment policy to Military Family Housing (MFH) as directed in reference (a), as it pertains to military families. All newly reporting/incoming military families will be assigned to MFH (Main-Base or Ikego), with no option to move off-base.

2. The safety and welfare of all service members, civilian employees and family members continues to be paramount. With the Restriction of Movement procedures still in place, and to ensure there is not a backlog of military families residing in the Navy Lodge and Navy Gateway Inns and Suites for extended periods, I have determined that mandatory assignment to MFH for military families is essential. I will continue to review this interim policy as we navigate through the summer Permanent Change of Station season.

3. I appreciate your patience, understanding, and cooperation in working together to carry out this mandatory assignment policy.

4. If you have any questions or need clarification, please contact Mr. Ogata at 243-8831 or Mr. Taylor at 243-8826.
