Your vehicle's airbags are recalled and must be replaced by May 1, 2018. If 未実施 (mijisshi-incomplete) is present in the 実施状況 (jishijoukyou-status) column, the recall presented in that row has not been addressed. If red text or a star is present, the unaddressed recall will result in a failed vehicle inspection (shaken).

Locate the manufacturer subsidiary (“dealership”) near to you and make an appointment to replace your vehicle's recalled airbags.

*Search results vary in appearance for each make.

Take your vehicle to the scheduled appointment to replace the recalled airbags. Replace the airbags.

Bring the documentation from the recalled airbag replacement to the Land Transportation Office (LTO) when you renew your Japanese Compulsory Insurance (JCI).
