6.職務内容 Duties

Reviews technical work documents of assigned project to determine the scope of work. Conducts investigations when technical documentation is inadequate, recommends changes/corrections to work parameters to meet safety, technical and operational requirements for isolations.

Prepares and reviews equipment/system isolations to ensure that the proposed isolations are accurate and adequate and that pertinent work control documentation is properly prepared and authorized prior to work commencement. Performs audits of existing isolation tag-out in accordance with Local instructions and make recommendations for corrective actions when discrepancies are identified. Performs duties and responsibilities as the Repair Activity Representative (RAR), verifying tags have been properly initiated and hung, valve positions are correct per the affixed tag, and all required signatures have been made.

Prepares detailed work control procedures to include Work Authorization Forms (WAF) and tag-outs based on NAVSEA derived specifications. Processes WAFs and tag-outs in accordance with NAVSEA standards and local processes and instructions. Directs and oversees shipboard work control team members assigned to a project. Maintains and evaluates on a daily basis, the status of shipboard systems and advises the Work Control Branch Manager, Chief Test Engineer, Production Shop, and Ship's Force of problems or alternative plans of actions to circumvent problems. Maintains actual personal knowledge of the day-to-day work control progress and conditions.

Reviews Hull, Mechanical & Electrical (HM&E) and Combat System work control procedures prior to issuance. The purpose of the review is to ensure all shipyard responsible items have been isolated and equipment/systems are properly tagged out to ensure safety of personnel and equipment has been satisfactorily met. Certifies completion and adequacy of individual work control documents and that all outstanding problems have been referred to cognizant personnel.

Performs other related or incidental duties as assigned.

特別な職務状況 Outstanding Working Condition, if any
