Welcome to Japan

Welcome and Congratulations on your orders to Naval Air Facility Atsugi, Japan! The 1,249 acres of Naval Air Facility Atsugi lies in the heart of the Kanto Plain on the main island of Japan, Honshu, Kanagawa (Prefecture), Ayase (ah-ya-sey). Co-located with the Japanese Maritime Self Defense Force (JMSDF), it is located about 16 km west of Yokohama and about 36 km southwest of Tokyo. The Base is divided into two areas: individual mission operating areas for exclusive use by each nation; and a joint area for administrative functions. Our mission is to provide facilities, services, material and logistics support for U.S. Navy aviation operations for Carrier Air Wing FIVE, deployed aboard USS Ronald Reagan (CVN 76). Homeport of the Ronald Reagan is Yokosuka Naval Station.

While the idea of moving to a new location can be overwhelming, this Welcome Aboard Package contains a wealth of information to help you in your relocation; and is designed to answer many of your questions. Look through the provided material and suggested websites to help familiarize yourself (and your family) with your new home. Using all your resources can help reduce culture shock and stress; keeping your morale high during the first few weeks of your arrival and throughout your time in Atsugi to make this a tour you enjoy!
If you have not already done so, please visit your Administration or PSD and housing prior to moving. They can provide you with information on travel pay, entitlements, and allowances, arranging a successful move, and vacating your government quarters. We are all here to help with every aspect of your relocation so please do not hesitate to contact us if you have additional questions regarding your new assignment to Atsugi and look forward to meeting you!

Next we encourage you to make contact with your Command appointed Sponsor. The sponsor is able to assist in many issues and should be a valuable source of local information and recommendations to assist you during this transfer.

Those with families are encouraged to check into the Navy Lodge for the night; we highly encourage making reservations in advance at https://www.navy-lodge.com. The next day, it is important to check into your command and their respective admin departments. Once there, your command can provide guidance and escort to the various locations on base that you must visit.

Traveling to Japan
Traveling to Japan can be an adventure in itself. Pre-planning is a must in order to reduce the stress associated with relocating. Weigh your luggage prior to leaving for the airport. Pre schedule taxi or shuttle to airport. Double check that you have all important papers with you; Orders with Dependent Entry Approval, Passports, I.D. Cards, snacks if allowed in carry-on luggage. The average flight from Los Angeles is approximately 10-12 hours non-stop. If leaving from other parts of the US it can take much longer.
While traveling can be an arduous experience it can be even more difficult and costly when traveling with pets. If you are considering bringing pets to Japan, please consider using the Patriot Express Flight. It will be cheaper than standard commercial flights.
http://www.spacea.net/faq/what-are-patriot-express-scheduleroutes

If traveling with pets it is recommended you start the process at least 6 months in advance with an Army vet. To ensure proper import procedures are followed.

What To Do At The Airport

1. Follow the signs to the Arriving Passenger area.
2. Pass through the Medical/Quarantine desk (if you have pets, stop here and ask for assistance).
3. Continue to the Immigration Processing, Foreigners.
4. Present your passport and/or ID card, and your COMPLETED forms.
5. Proceed down the stairs to the Baggage Claim Area. Retrieve your luggage.
6. Proceed to Non-Resident for Customs inspection.
7. Left into the Main Terminal.
8. Proceed to the Military Passenger Liaison for ground transportation to NAF Atsugi (located across the passenger meeting point of the Main Terminal, near the foreign exchange shop).
9. Upon arrival at NAF Atsugi, the bus will stop at BOQ, BEQ, and the Navy Lodge.

Note: The majority of international flights arrive at Terminal One; however should you arrive at Terminal Two, take the free Airport Shuttle Bus to Terminal One and get off the bus at either Stop Number 8 or Stop Number 18 in front of Terminal One.

General Airport Information

American style restrooms and changing rooms are available at the terminal. Recommend exchanging some money to Yen (Japan’s currency). An Exchange Center is located on the first floor of Terminal One. Recommend not exchanging all your money as Atsugi Base, accepts U.S. dollars. 3. Available on the fifth floor of the central building of Terminal One are:

- Retail/convenience stores
- The Observation Deck
• Various fast food restaurants (both Japanese and American). Payment in Japanese currency (Yen).

To Pick up Your Pet from Narita Airport
Note: (pets are not allowed on base shuttle or commercial busses.)

Immigration/Customs:
Upon arrival, you may claim your pet from the Japanese Animal Quarantine Officials between the hours of 8:00 a.m. - 11:00 p.m. to avoid overtime charges. However, to avoid any problems, schedule your pet's arrival between 8:00 a.m. - 4:00 p.m. Monday-Friday when the Japanese Animal Quarantine Office is fully staffed. If your pet is still at the Quarantine Office after 4:00 p.m., you will pay a hefty overtime fee.

SHUTTLE BUS DIRECTIONS FROM NARITA AIRPORT

NAF Atsugi is located southwest of Tokyo (Narita Airport) and due to the distance, it is highly recommended for your Sponsor to arrange your ground transportation to NAF Atsugi. A regularly scheduled Shuttle bus departs from Terminal #1 at 0630 pm daily. It is recommended to call DSN (315) 264-3372 International 011.81.467.63. 3372 Monday thru Friday or visit the below link to reserve a seat or e-mail at M-AT-NAF-BUSGS@fe.navy.mil

From Yokota Air Force Base via Air Mobility Command, an on-demand shuttle bus is available, either your sponsor or yourself should make reservations with NAF Atsugi FFSC. DOD Counter, Narita Airport Japan
The DOD counter is located on the ground floor inside of Terminal #1. From the North wing after departing customs, turn look left and you will see the DOD counter next to Meiji Milk and Café shop. From the South wing departing customs turn left and walk down corridor until you see DOD counter located on the right side.

**To locate the DOD counter if flight arrives at Terminal 2,**
Go outside to bus stop 8 or 18. Catch a free shuttle that runs every ten minutes to Terminal #1; get off at the second stop (street level). Enter the terminal and DOD Counter will be located across from the flight arrival exit of Terminal one.

Check in at the DOD counter and NAF Atsugi bus will leave at 6:30 pm. The DOD staff will guide you to the bus stop across the parking lot of Terminal 1. Other modes of transportations information are available at the information desk of Terminal one.

Calling the DoD Counter in Narita Airport (from the US): 01181. 47. 632 .0469.
Calling the Transportation Office in Atsugi (from the US): 011. 81. 467. 63. 3563 / 3900 (from the US): 011. 81. 467. 63 .4072.

***Important Note: Bus reservations are made by calling the NAF Atsugi FFSC Office in Atsugi, not the DoD counter in Narita Airport. For folks on official travel (TAD/PCS), please email orders to Atsugi’s FFSC office M-AT-NAF-BUSGS@fe.navy.mil to reserve seating. For those travelling without orders, reservations still could be made. However, it will depend on space availability.

**Commercial Transportation**
Should you decide to take commercial transportation from the airport. Located inside terminal #1 near bus stop #8 is the commercial bus ticket booth. The average cost for a bus from Narita airport to Yokohama is approximately 3600 yen (pets are not allowed on public transportation.) From the Yokohama train station you can catch a train to the Sagamino Station. From there NAF Atsugi is approximately 1 mile away and taxis are available outside the train station.

Note: If you are relying on ATMs while here in Japan, there are only 2 American Financial Institutions on base; Navy Federal Credit Union and Community Bank. Should you need more cash than the daily ATM withdrawal allowance to purchase a car or to assist with off base housing; you may want to consider joining either of these institutions prior to moving.

Members reporting to deployed units: Application and documents may be made by letter, fax, email or message and by a designated representative with POA. The application needs to be annotated to show that the unit is deployed. Members will report to AHSC within 30 days of return from deployment.

Bedroom Entitlement:
The number of bedrooms is based on pay grade & family composition. For example, member, spouse and two children are qualified for a three-bedroom. All senior officers (O6) are eligible for minimum of four-bedroom. All field grade officers (O4 & O5), chief warrant officers (W2-W5), limited duty officers (LDO), junior officers with nine-years prior enlisted service, and senior enlisted (E7 to E9) personnel are eligible for a minimum of three-bedroom regardless of family composition.

Control Date & Waiting List Placement:
1. Military member’s *Control Date will be usually date detached from last PDS, activity loss departure date. You must apply to the waiting list within 30 days of reporting to your new command in NAF Atsugi. (*Control date is the effective date of eligibility for MFH). Control date determines the position on a waiting list and waiting time period. Older date is better for you and higher position on the list. If you fail to apply for MFH within 30 days, your control date will be the actual date of application (walk-in date). You still start at the bottom of the waiting list and you will not be authorized for a government funded local move from your off-base residence.

2. Civilian member’s *Control Date will usually be effective date on the SF50. You must apply to the waiting list within 30 days of reporting to your new command at NAF Atsugi. (*Control date is the effective date of eligibility for MFH). Control date determines the position on the waiting list and waiting time period. If you fail to apply for MFH within 30 days, your control date will be the actual date of application (walk-in date) and you will not be authorized for a government funded local move from your off-base residence.

Availability and Estimated Waiting Time Period:
The waiting times are estimates and subject to change daily. Please call or email us for more information.

House Offer & Assignment, Important!
There will be an initial waiting list based on your pay grade and bedroom eligibility. No preference for location or type/style or the accommodation of dogs will be considered on the first offer of on-base housing. You will be offered the next available unit at the earliest move-in date unit. The first offer could be a high-rise for you even if you have a dog. House offer and assignment are based on your pay grade and family composition listed on your Dependent Entry Approval. You either accept or move-in or you may refuse the first offer. If you refuse the first offer, then you will have a preference on a list with same control date. Second offer will be your preferred type/style from the categories you are eligible for. If you decline the second offer, your name will be removed or placed at the bottom of the list and control date will be the reapplication date.
Note 1: Declining the first offer will result in the termination of Temporary Lodging Allowance (TLA). Please remember, if you refuse the first offer of on-base housing, TLA will stop after 30 days from the date you signed the refusal paperwork or earliest available date of the unit offered, whichever is later. Possibly, you will have to pay for the lodging expense from the 31st day until 2nd offer unit’s move-in date or move to off-base housing.

Note 2:
If you decline the first offer and reside in the local community then when you are moving back to on-base housing, the movement of your household goods is your expense (Self-Move).

Pets:
Families with dogs should make contact with the Atsugi Housing office prior to coming to Japan to check on the probabilities of having to live off base (due to on base availability) and the likelihood of acquiring on base, pet friendly housing. Families with pets, especially dogs, may have a very difficult time finding a suitable house. Bringing dogs may delay the occupancy of family members. Therefore, you should carefully consider bringing your prior to arriving.
If the waiting time period is long, you may have to seek off-base housing and reside in the local community during the waiting time period. You may have a maximum of 2 registered pets (dogs & cats) in government quarters. Cats are allowed in all on-base housing. Dogs are only allowed in Garden Apartment, Townhouse, One-Story Home and the first two floors of the Towers. Kennel space is costly, availability is limited, and space for large dogs is few. All dogs and cats must be registered with the U.S. Army Veterinary Activity, Japan upon arrival. Camp Zama Veterinary Treatment Facility is located 4 miles from Atsugi, 20-55 minutes by car.

Temporary Lodging Allowance (TLA)
TLA accrual begins the day the member reports to the new permanent duty station. Paid TLA begins when member and family report to the new duty station. Member must check-in to AHSC to submit an application for on or off-base housing to be eligible for TLA after check-in to your new command. TLA cannot be initiated until after reporting to housing office and receive the on or off-base check-in briefing by counselor. TLA is normally granted to active duty members with command sponsored dependents and dual military couples. The purpose of TLA is to help defray the cost of meals and lodging while member is seeking off-base housing. TLA may be granted for 60 days. If member declines the first offer of on-base housing, the normal entitlement of 60 days will no longer apply. Instead, TLA will be terminated 30 days from refusal or the availability date of the unit offered, whichever is later. However, payment should not be made when sincere effort to obtain a private rental quarters has not been made. TLA is a reimbursable entitlement and paid in 10 day increments.

Delay of Family Arrival after Move-in Date: Family members must arrive within 30 days from the move-in date, taking possession by Sponsor. And also on your move-in date, your housing allowance, BAH, LQA, OHA, TLA will be terminated.
Movements of your Household Goods (HHG):

Note: You are allowed your full weight of HHG. However it is not recommended. If you are required to live off base, you will find the houses are very small and may not accommodate oversized furniture or American made appliances. Also there is little to NO storage available.

Note: Fire arms are strictly prohibited in Japan. Even the import of Airsoft and Paintball guns (300 FPS Max) are regulated. Archery equipment is not allowed on base and if brought it must be stored with base security. Japanese law prohibits the carry of pocket knives with a blade in excess of 2.1 inches.

Normally, most accompanied tour members are eligible for one time move by PCS Orders. This is from your last permanent duty station to on or off-base housing in Japan. However, if you reside in local community due to long waiting time period, you will be authorized for government funded local move for your HHG. There are two criteria that must be met in order to receive government funded local move into Family Housing from your off-base residence.

1. Member must apply for MFH waiting list within 30 days of reporting to NAF Atsugi.
2. Member must accept first offer of MFH.
If application is made after the 30 days or do not accept first offer of MFH, subsequent move into MFH will be solely at your expense (Self-Move).

Government Furniture & Appliances:

1. All Members with dependents: Duration of your tour, housing office will provide appliances free of charge to all eligible members such as a refrigerator, electric range, dishwasher, and clothes washer & dryer for on-base residents. If you have some problems with government appliances, please contact housing furniture & appliances section, Local 0467.63.3887 / DSN (315)264.3887.
2. Furniture can also be provided on a Temporary basis. Your HHG must be in transit to be eligible for temporary furniture. You can borrow our furniture up to 90 days or until your HHG shipment arrives whichever occurs earlier. Housing will deliver and pick-up for you. If you have no HHG shipment arriving, you have to purchase your own furniture. Please take good care of government property. In case of loss or excessive damage, you will be responsible financially.

Automobiles and motorcycles

You are allowed to ship 1 automobile or motorcycle with your household goods. Keep in mind that Japan has different emission control laws than the United States. It may cost additional money in order to make your car Japan Compliant. Some service members have spent up to $8000.00 to make their motorcycle and $4000.00 for their American made auto to pass Japan Emissions test.

Used vehicles are in abundant in Japan. The average cost for a used car is between $2000.00 and $4500.00 for low mileage used vehicles. Auto insurance is approximately $375.00 per year, Japan Road tax depends on the size of engine in the car and ranges between $125.00 to approximately $450.00. Lastly there is Japanese Compulsory Insurance JCI which ranges between $125.00 to $250.00.

Visitors/Guests Medical Care for Financial Responsibility:
Visitors/Guests who are not registered in DEERS are not entitled to medical care. They will be billed as a pay patient. Additionally, visitors are not eligible for pharmacy services. Ensure visitors plan ahead and have a supply of medication needed during the visit. If medication is necessary, the prescription will need to be filled at a host nation facility.

The cost of both emergent care at U.S. Navy Hospital and/or any host nation civilian care is the sole responsibility of the patient or the patient's sponsor. Visitors should first check with their current insurance carrier to ensure that their policy covers both inpatient and outpatient services overseas. If there is no such coverage, it is required that the visitor obtain appropriate travel health insurance prior to visiting.

Host nation facilities will require payment in full, in Japanese Yen, at the time services are rendered. Visitors can then file with their individual insurance company for reimbursement.

How to Present a Positive Image to our Japanese Hosts

When in Public

- On escalators please stand to the left side as the right side is used for persons walking up the escalator.
- Please refrain from smoking on public transportation. Some long-distance trains permit smoking, but local buses and trains do not.
- Converse in a low to moderate voice when in public, Yelling or loud conversations disturbs and frightens our hosts.
- Additionally use earphones with portable stereos, and keep your car’s stereo volume down when your vehicle windows are open.
- Loud and raucous behavior in public is not acceptable. The Japanese are very sedate people as a whole. Boisterous behavior is equated with hooliganism and trouble.
- While the Japanese populace has been exposed to English Language study in school, they generally are not conversationally proficient. Be patient, talk slowly and clearly, and you will eventually acquire the information you seek.
- Try to use some Japanese words or phrases in dealing with our hosts. They appreciate our effort, and respect our taking the time to try to learn their language.
- Observe how the Japanese do things. “When in Rome do as the Romans do” can very well be applied to Japan.
- Unacceptable behavior usually feels inappropriate when you’re doing it. Rely on your common sense. This is just one of the ways to show respect for the Japanese culture while you are here.
- Be polite and considerate. It is the way we expect foreigners to act when they’re visiting the U.S.

In Shops and Restaurants

- Remember, yen is the only current acceptable in Japanese establishments. They do not accept dollars, as in the case of some foreign countries you may have visited.
- Again, while bargaining is acceptable in some countries, in Japan this is not the norm. On large purchases, you may ask if there is any discount, or one may automatically be given to you.
- Don’t tip in Japan. It is not expected in restaurants or taxis, and in fact is considered an insult to most Japanese people.

In some restaurants (and hospitals), you are expected to remove your shoes. So Always have your socks on when you intend to dine off-base. Such establishments will provide slippers for you to put on, upon removal of your footwear.

Liberty Policy in Japan.

The link below will take you to the U.S. Forces Japan liberty policy information. There click on the tab for Liberty Order Memo for exact details.
Keep in mind that if you are assigned to a different command, that commanding officer may have more restrictive orders in place.

Alcohol Laws in Japan
Keep in mind that while you are here in Japan, You are an ambassador for the United States as well as a representative of the U.S. Navy. The legal age for consuming alcohol in Japan is 20 years old. If you have a BAC. of 0.03 or higher and operate a motor vehicle you are considered to be driving under the influence.

*Driving Under the Influence (DUI)*.
If a driver is pulled over by the Japanese Police while operating a motor vehicle and signs of intoxication are observed or an odor of an alcoholic beverage is emitting from the driver, that individual and all passengers can be charged with alcohol-related offenses under Japanese law.

No matter the outcome of a DUI, the penalty is always heavy. Japanese authorities can detain offenders for days, months or even years depending on the violation. Time in captivity does not include military pay.

What is the CLREC Navy Global Deployer Application?

CLREC Navy Global Deployer provides Navy personnel with training products, courses, and aids designed to increase their understanding of countries and people groups worldwide. A product of the Center for Language, Regional Expertise, and Culture (CLREC), this version of the app focuses on the Fleet Concentration Areas of Bahrain, Italy, Japan, The Philippines, South Korea, and Spain.

The app helps users understand cultural and societal norms unique to each country in an effort to promote international good will and understanding. The objective is to prepare Navy personnel to interact successfully and cordially with local populations while living in or visiting foreign countries. These interpersonal skills are essential to the success of the Liberty Mission and American presence in strategically vital areas around the world.

For each nation, CLREC Navy Global Deployer provides useful information on such topics as language, history, geography, people, ethnic groups, religious institutions, societal norms, behaviors, etiquette, and culturally appropriate behaviors. The CLREC Navy Global Deployer App is divided into the following sections for each nation:

- **Culture Training** – This section offers the Operational Cultural Awareness Training (OCAT) presentation for each country.
- **Culture Card** – The card provides information on each country’s geography, government, language, and culture.
- **Etiquette Guide** – This section offers information on everything from cultural values to common nonverbal gestures.
- **Language Phrases** – This section provides useful common phrases, including audio recordings to assist the user with accurate pronunciation.
- **Language Guide** – This section provides tools and resources for autonomous language learning.
- **In addition**, the app includes General Resources, Emergency Resources, and a Favorites section for bookmarking.

The CLREC Navy Global Deployer application offers an all-in-one approach to learning about new languages, cultures, and ports of call. More countries will be added in the future. Download yours today!
