Navy Region Mid-Atlantic Installations participate in nationwide exercise

NORFOLK, Va. – Exercise Solid Curtain-Citadel Shield 2016 (SC-CS16) will be conducted on naval installations within the Navy’s Mid-Atlantic Region, Feb. 1-12, 2016.

This annual exercise is designed to enhance the training and readiness of Navy security forces. Exercise SC-CS16 is not in response to any specific threat, but is a regularly scheduled exercise.

Measures have been taken to minimize disruptions within local communities and to normal base operations, but there may be times when the exercise causes increased traffic around bases or delays in base access. Area residents may also see or hear security activities associated with the exercise.
