From: Commanding Officer, Naval Support Activity, Hampton Roads

Subj: NAVAL SUPPORT ACTIVITY HAMPTON ROADS ENVIRONMENTAL POLICY

1. Naval Support Activity, Hampton Roads is committed to environmental compliance with Local, State and Federal environmental laws, regulations, and policies. We acknowledge that environmental stewardship is essential to the safe, healthful, and compliant execution of our mission and the preservation and protection of our land, air, and water.

2. We are committed to preventing pollution at its source whenever possible. To achieve our goals, we have adopted the following guidelines for our environmental management system:

a. Integrate sound practices into our operational decisions that could impact the environment.

b. Continually improve our environmental performance through the use of effective management and planning.

c. Ensure implementation of pollution prevention measures and waste minimization programs.

d. Develop attainable objectives and targets and implement sustainable practices to reduce environmental impacts.

e. Conduct regular Environmental Management System Audits to continually assess our progress toward our environmental goals.

f. Educate our personnel, tenants and contractors on their responsibilities to the environment.

g. Foster communication throughout Naval Support Activity, Hampton Roads on environmental commitments and performance.

h. Sustain our partnerships with Local, State, and Federal regulatory agencies and maintain continuous environmental compliance with existing and new regulations and guidelines.

A handwritten signature in black ink, appearing to be "J. D. Freeman", with a long horizontal flourish extending to the right.
