If your transition date from the military is within a year (2 years for retirement), then see your Command Career Counselor, Training NCO or Officer, to get the ball rolling. Come to the Pre-separation Seminar, then get a quota for the Transition GPS Workshop and start working on your Individual Transition Plan (ITP).

Following Transition GPS you may attend one of the additional workshops for your career direction:

**Boots to Business** – an introduction to what it takes to start your own business

**Higher Education workshop** – learn the ins and outs to choosing a school, applications and financing your education (GI Bill, Scholarships, etc)

**Technical Training Track**- Pursuing training and apprenticeships leading to a career in the trades

Once you have completed all of your preparations and have completed all of your Career Readiness Standards (CRSs), attend one of the monthly CAPSTONE events (sooner than 90 days before transition) to have your ITP Reviewed and Approved by a Transition Counselor and finalized by your Chain of Command for entry into your service record.
