Zika Virus Information – Today's edition of the Seabee eCourier contains information provided concerning the Zika virus outbreak. Navy Medicine and the Center for Disease Control (CDC) have provided the below links which contain more extensive details. Until more is known, and out of an abundance of caution, the CDC recommends pregnant women consider postponing travel to any area where Zika virus transmission is occurring - currently the Caribbean, Central America, South America, and Mexico. Pregnant women, or women trying to become pregnant, who do travel to these areas should talk to their healthcare provider first, and they should take strict steps to avoid mosquito bites during the trip. Additional information and resources can be found using these links: <http://www.med.navy.mil/sites/nmcphc/program-and-policy-support/Pages/Zika-virus.aspx>; **Point of contact for Zika Virus information at Naval Branch Health Clinic (NBHC) Gulfport is HN Brian Masse, who may be contacted via email at: brian.d.masse.mil@mail.mil**.
