**NOTICE OF PETITION TO ADMINISTER ESTATE OF ROBERT WILLIAM JOHNSON**

Case No. 37-2019-00050692-PR-PW-CTL  
 To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of **ROBERT WILLIAM JOHNSON**  
 A PETITION FOR PROBATE has been filed by **ELIZABETH JOHNSON** in the Superior Court of California, County of SAN DIEGO.  
 THE PETITION FOR PROBATE requests that **ELIZABETH JOHNSON** be appointed as personal representative to administer the estate of the decedent.  
 THE PETITION requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court.  
 THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.  
 A HEARING on the petition will be held in this court as follows: **Date: 11/21/2019 Time: 1:30 PM Dept. No. 503** located at: **1100 Union Street, San Diego, CA 92101.**  
 If you object to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.  
 If you are a creditor or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.  
 Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.  
 You may examine the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-354) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

**NOTICE OF PETITION TO ADMINISTER ESTATE OF PATRICIA MARILYN TORTORICH**  
 Case No. 37-2019-00052513-PR-PW-CTL

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate of PATRICIA MARILYN TORTORICH; PATRICIA MARILYN TORTORICH; PATRICIA TORTORICH; PATRICIA M. TORTORICH; A PETITION FOR PROBATE has been filed by WILLIAM TORTORICH in the Superior Court of California, County of SAN DIEGO.

THE PETITION FOR PROBATE requests that WILLIAM TORTORICH be appointed as the personal representative to administer the estate of the decedent. THE PETITION requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court. THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

**A HEARING on the petition will be held in this court as follows: Date: 11-12-2019, Time: 1:00 p.m., Dept. 19-504, Address of court: 1100 Union Street, San Diego, CA 92101 Central Courthouse**

If you object to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

If you are a creditor or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may wish to consult with an attorney knowledgeable in California law.

**You may examine the file kept by the court.** If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account provided for Probate Code section 1250. A Request for Special Notice form is available from the court clerk.
