CNIC I.G. CASE NUMBER 201601079 CASE STATUS INQUIRY

Date:  
January 8, 2017

Ref:  
(a) Title 5 U.S.C. § 552

(b) FOIA Request Response to CNIC I.G. Case No. 201601079 dated, 11 Aug 2016

(b) FOIA Request Response - CNIC I.G. Case No. 201601079 dated, 09 Aug 2016

(b) (6),

On 11 Aug 2016 you indicated that Navy Inspector General (NAVINGEN) Case No. 201601079 remained open case and that investigative findings and conclusions had not yet been finalized. As a result the case report could not be released under FOIA until it is closed.

We fully intend to submit a follow-up Freedom of Information Act (FOIA) request, to obtain a complete copy of NAVINGEN Case No. 201601079, so we respectfully request the current status of your investigation.

Collectively, the supervisory police officers at Naval Station (NAVSTA) Newport revealed numerous violations to you, orally and in writing throughout your investigation, which now exceeds six months. It should be noted that you have not solicited any further information at the installation level despite our continued complaints, so absent any further investigatory action on your part there is no logical reason why NAVINGEN Case No. 201601079 should not be closed.

If by chance NAVINGEN Case No. 201601079 is still open, we demand the reason(s) why and the current progress status of your investigation. Otherwise, we will be forced to question the competency or impartiality of you as an investigator or conclude that the CNIC Office of Inspector General as a whole is complicit and willfully obstructing our efforts to expose the legal, procedural and ethical wrongdoings occurring within the NAVSTA Newport Police Department.

In closing, thank you again for your time and we look forward to hearing from you soon.

Respectfully,

(b) (6)
