

Training Handout

The Keys to **Job Fair Success**

Goals for Attending the Fair: Shortcut to the Interview

- _____ Opportunity to meet new people to add to your network of contacts.
- _____ Opportunity to meet with recruiters looking to hire within a specific region.
- _____ Opportunity to meet with recruiters who can forward your contact information.
- _____ Opportunity to gain valuable experience in navigating a job fair for a later time.
- _____ Opportunity to bypass some job search red tape.

Job Fair Preparation

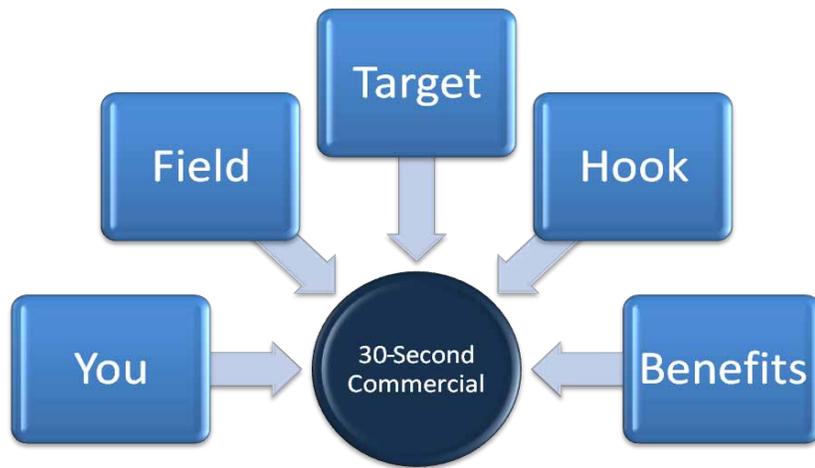

1. Preregister for the fair

2. Identify and research — prospective employers

3. Map out a strategy

4. Engage employers (see next page — 30-Second Commercial)

5. Organize supplies: attire, resumes, master application and other materials

30-Second Commercial: The Swiss Army Knife of Job Tools

Component	Questions to Answer	Your Response

Benefits	What benefits can you provide to a company?	
<i>Save time</i>		
<i>Make money</i>	What results can you achieve?	
<i>Find wellness</i>		
<i>Less stress</i>	What makes it in the best interest of a company to hire you?	
<i>Find a home</i>		
<i>More support</i>		
<i>More control</i>		
<i>Have freedom</i>		
<i>Be beautiful</i>		
<i>Build wealth</i>		
<i>Find solutions</i>		
<i>Avoid pain</i>		

“Sample Hook Statements”

[Customer-service representative] *I am a customer-satisfaction representative who calls customers to ensure they’re satisfied.*

[Consultant] *I partner with companies that need to find talented people to help their business grow and become more profitable.*

[Home-based cosmetics] *I help women look beautiful.*

[Financial planner] *I help people maximize their financial investments so they achieve their personal income and retirement goals.*

[Child-care provider] *I provide a safe environment for children to learn and grow.*

[Navy technician] *I ensure that we have all the proper replacement parts so we can carry less inventory but still can make essential repairs while the ship is underway.*

[Teacher] *I help students with learning challenges become more successful at school.*

“Sample Benefit Statments”

[Customer-Service Representative] *I am a customer-satisfaction representative who calls customers to ensure they’re satisfied. “Yes” is my favorite word. I do whatever it takes to ensure that we maintain 100 percent satisfaction among all our customers.*

[Consultant] *I partner with companies that need to find talented people to help their business grow and become more profitable. My clients have reported up to a 40 percent reduction in employee*

turnover when they use my services.

[Home-based cosmetics] *I help women look beautiful. I turned a hobby into my own business that started generating a profit my first month.*

[Financial planner] *I help people maximize their financial investments so they achieve their personal income and retirement goals.*

[Child-care provider] *I provide a safe environment for children to learn and grow. All of our children have a successful transition into kindergarten.*

[Navy technician] *I ensure that we have all the proper replacement parts so we can carry less inventory but still make essential repairs while the ship is underway. Last year, I saved the Navy over \$300,000 in repairs.*

[Special-education teacher] *I help students with learning challenges become more successful at school. For example, I've helped a student to develop greater reading comprehension skills, take better notes in class, and have less test anxiety.*

“Sample Power Questions”

[Customer-service representative] *How are your customer-satisfaction ratings?*

[Consultant] *What is the biggest challenge within your organization? Tell me about your customers—what is most important to them?*

[Home-based cosmetics] *Are you interested in looking younger?*

[Financial planner] *Are your clients reaching their retirement goals?*

[Child-care provider] *What is the most important thing your center believes about child care?*

[Navy technician] *How much money do you spend on repairs?*

[Special-education teacher] *What are some of the critical needs you see among students in this school district?*
