

Family Housing and Local Information About Naval Base Kitsap Bangor/Bremerton

The Housing Service Center (HSC) is available to assist you with all of your housing needs. Enclosed is some housing and local information with helpful web links that may interest you. Please contact us for more information.

Common Navy Housing Terms

Housing Service Center (HSC) is the Service member's government advocate for providing assistance for any type of housing: rental or purchase, on-base or off-base, community, government and Public/Private Venture (PPV) at any installation worldwide.

Fleet and Family Support Center (FFSC) supports individual and family readiness through a full array of services and resources which help Navy families to be resilient, well-informed and adaptable to the Navy environment. The NBK Bangor/Bremerton FFSC serves active duty members, retired personnel and family members with programs and services to enhance their quality of life.

Government Owned, or Military Housing, is what was formerly thought of when we thought about On-Base Housing. While only available in limited quantities CONUS (Contiguous United States), Government Owned Housing is still widely available OCONUS (Outside Contiguous United States). NBK Bangor/Bremerton offers Navy Owned Housing at Jackson Park Housing Community.

Public/Private Venture (PPV) housing is also referred to as privatized housing in the Navy. NBK Bangor/Bremerton has partnered with [Forest City Military Communities](#) to offer you and your family outstanding on-base housing choices. PPV housing at NBK Bangor/Bremerton is owned by Forest City Military Communities and governed by a business agreement in which the Navy has limited rights & responsibilities. Forest City Military Communities is entirely responsible for the construction, renovation, maintenance and day-to-day management of the housing. PPV housing may be located on or off government property and in most cases will be former military housing.

Community Housing is any housing that a Sailor may choose that is not PPV or government operated. This is housing outside of the base that is privately owned and operated. This can include apartment complexes and single family homes for rent.

[Housing Early Application Tool \(HEAT\)](#) allows Service members and their spouses to apply for housing at one or more locations before or after they receive their PCS orders. The launch of HEAT allows the Service member to tap into their DEERS record, creating an easy user experience. Spouses can use the application as well, needing only minimal information about their Service member.
