

Family Housing and Local Information About NSA Mid-South

The Housing Service Center (HSC) is available to assist you with all of your housing needs. Enclosed is some housing and local information with helpful web links that may interest you. Please contact us for more information.

Common Navy Housing Terms

Housing Service Center (HSC) is the Service member's government advocate for providing assistance for any type of housing: rental or purchase, on-base or off-base, community, government and Public/Private Venture (PPV) at any installation worldwide.

Fleet and Family Support Center (FFSC) supports individual and family readiness through a full array of services and resources which help Navy families to be resilient, well-informed and adaptable to the Navy environment. The NSA Mid-South serves active duty members, retired personnel and family members with programs and services to enhance their quality of life.

Public/Private Venture (PPV) housing is also referred to as privatized housing in the Navy. We have partnered with **Hunt Companies** to offer you and your family outstanding on-base housing choices. PPV housing at NSA Mid-South is owned by Hunt Companies and governed by a business agreement in which the Navy has limited rights and responsibilities. Hunt Companies is entirely responsible for the construction, renovation, maintenance and day-to-day management of the housing. PPV housing may be located on or off government property and in most cases will be former military housing.

Community Housing is any housing that a Sailor may choose that is not PPV or government operated. This is housing outside of the base that is privately owned and operated. This can include apartment complexes and single family homes for rent.

Housing Early Assistance Tool (HEAT) allows Service members and their spouses to contact housing at one or more locations before or after they receive their PCS orders. The launch of HEAT allows the Service member to tap into their DEERS record, creating an easy user experience. Spouses can use the tool as well, needing only minimal information about their Service member.

Additional Local Resources

School Liaison Officer's (NSA Mid-South) primary function is to serve as a conduit between parents, educators and the command, so that military-connected children experience a seamless transition during the transfer between schools. The School Liaison Officer (SLO) can provide military families, educators, and installation commanders with resources as they work together in providing a supportive and positive educational environment for children of military families. In addition, the SLO can offer a wide spectrum of services, enabling families to become more involved in their child's educational experience.
