Common Navy Housing Terms

[Housing Service Center \(HSC\)](#) is the Service member's government advocate for providing assistance for any type of housing: rental or purchase, on-base or off-base, community, government and Public/Private Venture (PPV) at any installation worldwide.

[Fleet and Family Support Center \(FFSC\)](#) supports individual and family readiness through a full array of services and resources which help Navy families to be resilient, well-informed and adaptable to the Navy environment. The NAVSTA Norfolk/NNSY Portsmouth serves active duty members, retired personnel and family members with programs and services to enhance their quality of life.

[Public/Private Venture \(PPV\)](#) housing is also referred to as privatized housing in the Navy. We have partnered with [Lincoln Military Housing](#) to offer you and your family outstanding on-base housing choices. PPV housing at NAVSTA Norfolk/NNSY Portsmouth is owned by Lincoln Military Housing and governed by a business agreement in which the Navy has limited rights and responsibilities. Lincoln Military Housing is entirely responsible for the construction, renovation, maintenance and day-to-day management of the housing. PPV housing may be located on or off government property and in most cases is former military housing.

[Community Housing](#) is any housing that a Service Member may choose that is not PPV or government operated. This is housing outside of the base that is privately owned and operated. This can include apartment complexes and single family homes for rent.

[Housing Early Assistance Tool \(HEAT\)](#) allows Service members and their spouses to contact housing at one or more locations before or after they receive their PCS orders. The launch of HEAT allows the Service member to tap into their DEERS record, creating an easy user experience. Spouses can use the tool as well, needing only minimal information about their Service member.
