

2018 VISION GOALS

NDW

NAVAL DISTRICT WASHINGTON

"There are risks and costs to a program of action. But, they are far less than the long-range risks and costs of comfortable inaction."

John F. Kennedy

VISION

Become the most agile and adaptive Navy region, enabling optimal tenant mission support with a reputation as an indispensable mission teammate.

INVEST IN OUR PEOPLE

Support a workforce organized and prepared to effectively conduct NDW's Navy Shore Support responsibilities.

Establish a workforce development program that addresses our ability to execute shore support responsibilities.

Manage new accessions to NDW from position acceptance to their one year employment anniversary.

Provide program management and oversight guidance and training to regional program directors (RPDs) and installation program directors (IPDs).

CONTINUE TO INNOVATE

Complete development of the NDW Operations Center.

Integrate regional dispatch center, regional operations center, and facilities engineering operations center functions.

Develop performance measures that leverage facilities and utilities data.

TRANSFORM THE WAY WE DO BUSINESS

Adopt alternative delivery models that save money and provide increased options for building the fleet of tomorrow.

Conduct a program-by-program review to improve process efficiency.

Use knowledge management tools to improve communication and workflow management practices.
