

A NATIONAL DAY OF REMEMBRANCE

Americans across the country will honor the victims and heroes of the 9/11 tragedy by serving their neighbors and communities as part of the second federally recognized "National Day of Remembrance". This year's Joint Services "National Day of Remembrance" project will take place on Saturday 14 Sept 2013 from 8:30 a.m. until 12:00 PM at the Historic Congressional Cemetery, 1801 E Street South East, Washington DC. Military personnel and their family members as well as DoD civilians will restore grave markers, remove weeds, do some tree planting and engage in minor landscaping around the cemetery roadways and path to the 9/11 Memorial. Volunteers will receive T-shirts, water and lunch. In the event there are questions regarding the weather, call 202-543-0539. This is a great venue for students of American history and an opportunity to earn community service hours. For on-line registration [click here](#).
