

# ATSUGI NAF and CAMP ZAMA by CAR

## ATSUGI Naval Air Facility

### From YOKOSUKA or IKEGO:

Exit the main gate and turn right onto **Rt. 16**. After passing Daiei, stay in the rightmost lane and drive up the ramp onto **HONCHO-YAMANAKA (本町山中) Toll Road** and pay ¥200. Keep left at the 1st Y-split toward **YOKOHAMA-YOKOSUKA (横浜横須賀) Toll Road**. At the next tollgate, get a ticket and follow the signs toward **YOKOHAMA**. Pay ¥900 (¥800 from Zushi) at **KARIBA** tollgate. After the toll gate, Yoko-Yoko Rd. merges with **HODOGAYA BYPASS** then **Rt. 16** heading toward **TOMEI/HACHIOJI**. You can either take the **SHIMOKAWAI EXIT** to enter the base through the back gate or take **Rt. 246** to access the base through the front gate.

**SHIMOKAWAI EXIT** - Turn left at the intersection then go straight onto **Rt. 45/CHGASAKI/SEYA**. Remember to start counting the stoplights from this intersection. At the 7th stoplight, you will see a **blue road sign for Rt. 40**. Turn right to **Rt. 40/YAMATO/ATSUGI**. Drive straight all the way to the back gate (East Gate) of Atsugi Base. This gate is open 24 hours.

**RT. 16 & RT. 246** - Follow the signs for Hodogaya Bypass that connects to **Rt. 16**. Pay attention to blue road signs for **Tomei Expressway and Rt. 246**. **After driving past the entrance/exit ramps for TOMEI EXPWY, stay in the left lane and turn left onto Rt. 246**. After passing through a tunnel, start counting the traffic lights. **Turn left at the intersection at the 3rd stoplight** where you will see a pachinko parlor with a large parking lot to your right. Go straight until you cross a railroad track and come to a T-junction. Turn right at this intersection. Then, turn left at the next T-junction where the Sagamino Pachinko with a big gorilla statue is located. Go straight and after about 1 km, continue straight at the Y-intersection where the road branches off to the right. Finally, go straight ahead for about 1 to 2 minutes directly toward the front gate of the base.

## CAMP ZAMA Army Base

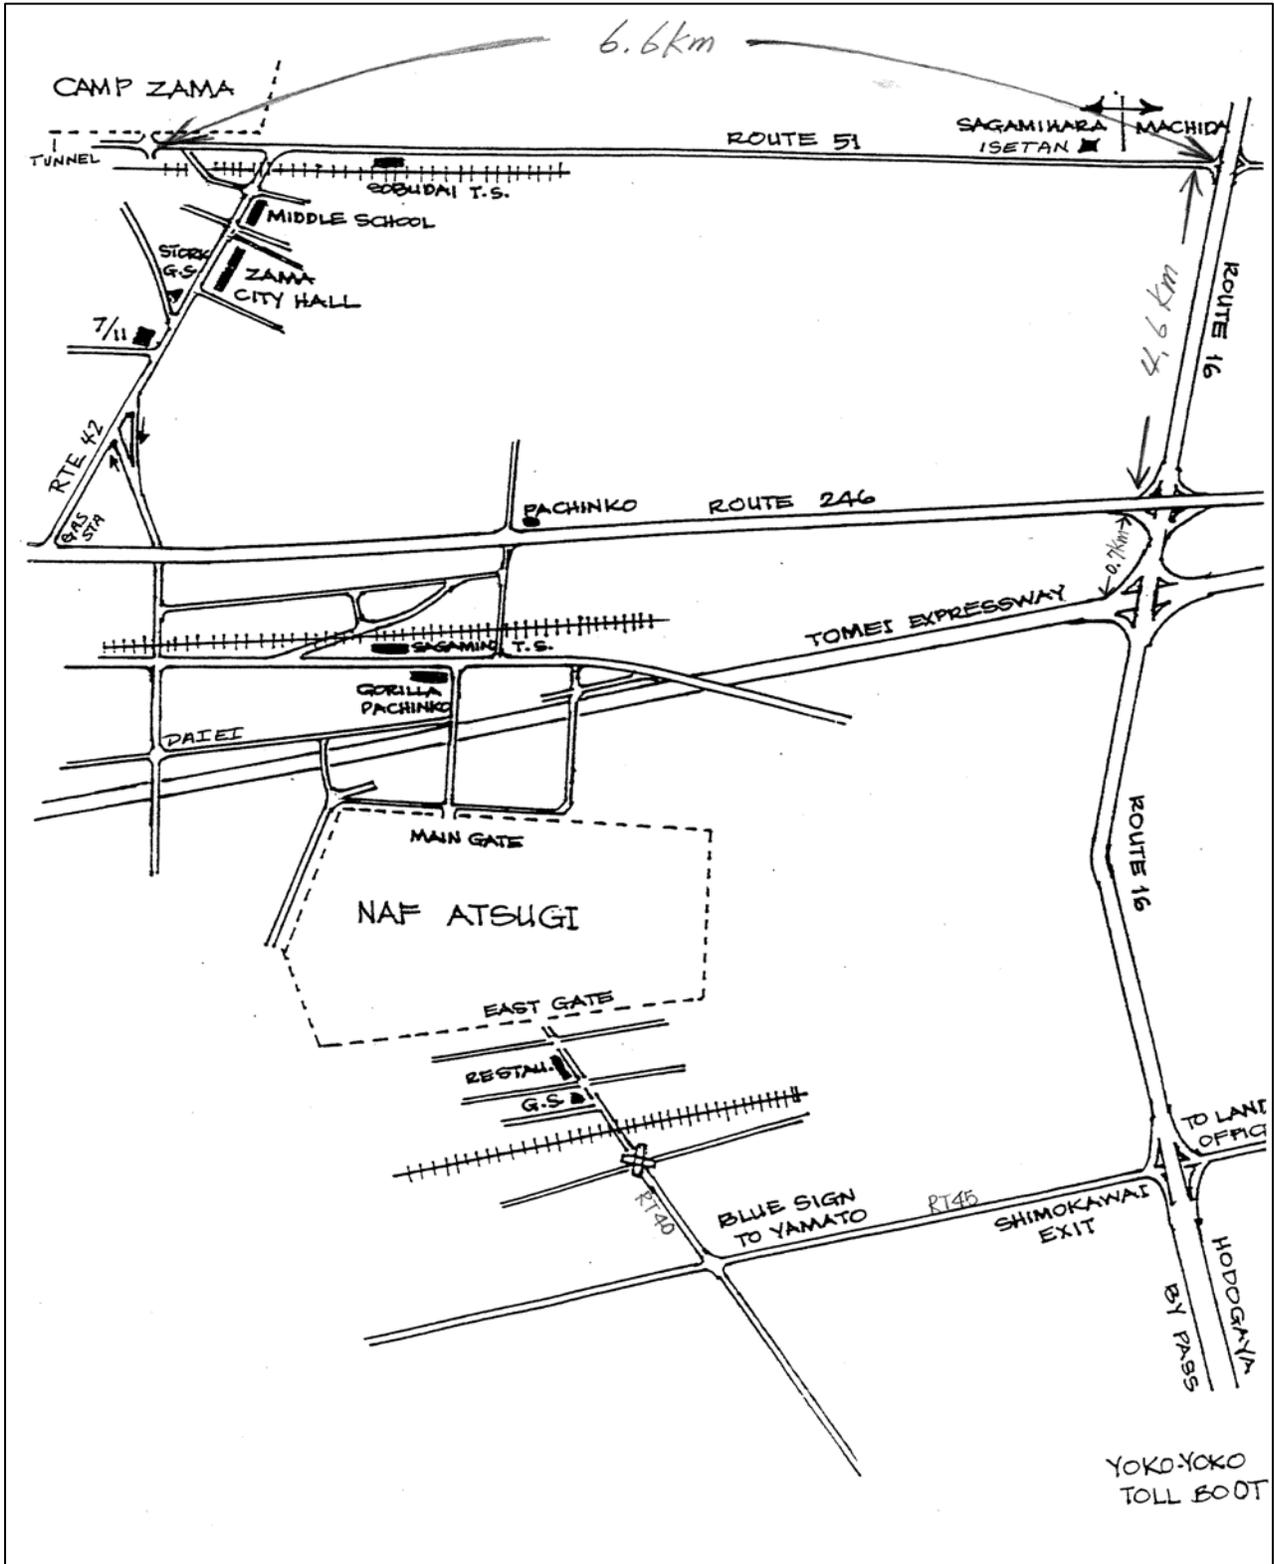

### From YOKOSUKA or IKEGO:

Exit the main gate and turn right onto **Rt. 16**. After driving past Daiei, stay in the rightmost lane and drive up the ramp onto **HONCHO-YAMANAKA (本町山中) Toll Road** and pay ¥200. Keep left at the 1st Y-split toward **YOKOHAMA - YOKOSUKA (横浜横須賀) Toll Road**. At the next tollgate, get a ticket, and follow the signs toward **YOKOHAMA**. Pay ¥900 (¥800 from Zushi) at **KARIBA** tollgate. After the toll gate, Yoko-Yoko Rd. merges with **HODOGAYA BYPASS** then **Rt. 16** heading toward **TOMEI/HACHIOJI**. You have **three options** on how to arrive at Camp Zama.

**RT. 16 & RT. 51** - Stay on **Rt. 16**, passing Shimokawai Exit, the entrance to Tomei Expressway, and the intersection of **Rt. 246**. Turn left onto **Rt. 51** and follow this road all the way to Camp Zama. You are almost there when you pass under an off-ramp and to your left is an **orange-colored statue in front of a large fire station**. The gate to Camp Zama is to your right. If you pass through a short tunnel, you must make a U-turn to enter Camp Zama.

**RT. 16 & RT. 246** - Drive straight on **Rt. 16**, turn left onto **Rt. 246**, and right on **Rt. 42**. **>>>Stay right** when you approach the Y-junction where a Stork gas station is located. You will pass a school, then two huge brown buildings (Zama City Hall) and a junior-high school to your right. Turn left immediately at the intersection across from the Junior High School. This is a very narrow road and will connect to **Rt. 51**. When you are at the bottom of the downhill road, turn left to **Rt. 51**, move into the right lane, and turn right to Camp Zama at the next stoplight.

**SHIMOKAWAI EXIT** - If traffic has built up on Hodogaya Bypass, exit on Shimokawai and proceed as you would to go to the back gate of NAF Atsugi. Enter there and exit through the main gate. Follow the road to the T-junction where the Sagamino Pachinko with a gorilla statue is located, then turn left. Proceed to the next major intersection with a stoplight and turn right. Follow the road until you come to another T-junction intersecting **Rt. 42**. Turn right to **Rt. 42**. Then, follow the directions for the **Rt. 16 & Rt. 246 alternative above**, starting from **">>>Stay right."**
