**The following buildings have the new receivers for MMDS BEQ 6,13,14,15,16,17,18 BOQ 1, 3, 6,7,8,9, Enlisted Club, Chiefs Club and Admin. Your TV's will need to be reprogrammed to CATV and then run auto program for channel installation.

If you are having difficulties reprogramming your TV contact your BPO. The CDF Galley is awaiting mounting poles for the receivers.

**Here's how your channels should automatically show up once you're TV has been programmed using CATV:

24-33 - Complete line-up of AFN TV Programming 40-50 - Variety of AFN radio services (with AFN TV Channel Guide)

** Quality of signal reception is directly related to 'line of sight' and we may need extra time find the proper/best alignment for some buildings. Regardless, please don't expect your MMDS reception to look like High-Definition, but please also don't hesitate to contact us if there is severe disruption in your MMDS reception.
