OUR STORY

(AND WE'RE STICKIN' TO IT!)

For over 33 years now (or roughly 1/3 of a century!), Chili's® has been welcoming guests with our sizzling personality and serving up a good time, every time with incredible appetizers and entrées, thirst-quenching drinks and decadent desserts. Along the way, we've fed a bunch of folks, hosted a ton of parties and had a lot of laughs.

Today, Chili's has more than 1,400 restaurants in 24 countries around the world. A lot has changed since our early days in Dallas, Texas as a hamburger joint serving burgers in a basket and bowls of spicy "Texas Red Chili". But we're still hungry to bring you the big, bold flavors of our original down-home, Southwestern-inspired brand. So you can still enjoy the mouthwatering burgers, ice-cold beer and margaritas that made us famous. Or you can sink your teeth into even more great Southwest favorites like our legendary Baby Back Ribs, Sizzling Fajitas and Fire-Grilled Steaks. Of course, along with outstanding food, we're still cooking up a whole lot of fun too. That's why after all this time you'll find that Chili's is still "Like No Place Else®."

CHILI'S TRIVIA

1. Why were Chili's entrées originally served in baskets?
2. What exactly are "ChiliHeads"?
3. Why is there always one upside-down picture in every Chili's?

1. They allowed servers to stack them up so they could carry up to a dozen baskets at a time!
 2. We owe all of our success to them. They're the hard-working, hard-playing folks we're proud to call our team-members. And if you can't get enough of our incredible fun and food, beware - you just might be a ChiliHead too!
 3. Rumor has it that someone once hung a photo wrong-side-up accidentally and the idea caught on. Feel free to stand on your head and find the inverted picture inside this Chili's.
