

Navy Band Northeast Showband

SUPPORT GUIDELINES FOR NORTHEAST NAVY SHOWBAND

1. The sponsor shall designate a primary point of contact for on-site logistical support.
2. Parking must be within a reasonable distance to the performing site with additional access to any stage area.
3. Stage requirements are as follows:
 - a. The minimum stage area will be 24 feet by 24 feet with adequate lighting provided.
 - b. Two 110-volt grounded outlets of at least 20 amps are required at the performance area.
4. Performance guidelines are as follows:
 - a. Performances shall not be scheduled prior to 0900.
 - b. Concert performances shall not normally exceed one hour.
 - c. Dance performances shall not normally exceed four hours.
 - d. Sufficient time must be available for setting up and removing equipment. One and one-half hours is required prior to a performance for set-up and one hour after each performance for removal.
 - e. The band shall be limited to two performance sites per day.

5. Secure and private changing areas must be available for both male and female personnel.

6. Any questions concerning these guidelines or requests for the Northeast Navy Showband should be addressed to:
