CO's Comments

Leaders,

Thank you for your continued support and ownership of your surrounding areas, Sailor and staff behavior, and programs such as Energy, Environmental, and Safety. The NSN team is here to support you, and we do that best when we enjoy open lines of communication. We recently conducted a Senior Leader Customer Survey, and appreciate the constructive remarks. If you have a concern that is not being addressed, please raise it to our level. Traffic will continue to be congested during both FPCON A and B, and we have flexed our Security Team to adapt to some new initiatives to get vehicles through the gates expeditiously. Hurricane Season is upon us, and we all need to be looking around our buildings for random debris, unsecured trash or gear, and missile hazards. Well done on Clean the Station day, and Clean the Bay day is this Saturday. As always, thank you for helping us all OWN NSN!

Midshipmen Summer Training

Commencing 31 May and 7 July, [NSN Navy Gateway Inns and Suites](#), ships and squadrons will host hundreds of USNA and NROTC midshipmen over the summer. These young and impressionable service members will be interacting with us in the Galley, in MWR facilities, in barracks, in our work spaces, and on liberty. The midshipmen are regularly briefed on Fleet policies, especially pertaining to personal behavior, under-age drinking, alcohol incidents, and fraternization. Now is the PERFECT time to have a similar discussion with your Sailors to ensure they understand that midshipman shall not fraternize with Enlisted Sailors.
