JEB Little Creek-Fort Story Chief Petty Officers To Teach Local Students About The U.S. Navy

VIRGINIA BEACH, Va. – Chief Petty Officers from Joint Expeditionary Base Little Creek-Fort Story will arrive at Shelton Park Elementary School April 4, from 7:30 a.m.–2:30 p.m. to give the students a boost and teach them about the U.S. Navy in conjunction with the celebration of the Chief Petty Officer 119th birthday celebration.

Chiefs will be assisting teachers at Shelton Park Elementary School in all facets of instruction to include helping in the classrooms, the library, lunch room, and other locations throughout the building.

During the visit, Shelton Park's technology network of iPod, iPhone, and iPad devices will be used by students to ask their visitors questions about the Navy. Each Chief will be given a name tag with a bar code imbedded. Students will scan these bar codes and a question regarding some aspect of the Navy will be presented sparking discussion between students and the military members.
