Unaccompanied Housing

Per NAVSTANORVAINST 11103.2, every command with personnel living in UH is to conduct a monthly inspection at a minimum. Health and Welfare inspections can be conducted on a quarterly basis. Command leadership should be proactive, not only in the professional growth of their Sailors, but also with their personal growth.

BAH

As per NAVADMIN 072/12, there is new guidance on BAH and housing of Sailors. If you have questions concerning BAH regulations for single Sailors, E4 and below, or about the requirements to house, contact Mr. [Harold Parker](#), 444-8036.

Sexual Assault Awareness

April is Sexual Assault Awareness Month. FFSC Norfolk is available to present Sexual Assault Awareness programs in your command. All Sexual Assault Victim Advocates (SAVA) are encouraged to attend the SAVA refresher training 0900, 4 April in C-9 auditorium.

Child Abuse Awareness

April is the Month of the Military Child/Child Abuse Awareness Month. FFSC Norfolk is available to present many programs in your command regarding parenting and child abuse awareness. Our capstone event "The Culture of Corporal Punishment" presentation by Dr. Polonko is 1230 – 1530, 20 April at FFSC Norfolk.

NAVSTA Bowling Facility

Pierside Lanes is undergoing renovation. Please bear with us as we make much needed upgrades to the facility during the next couple of weeks. The snack bar will be operating with a reduced menu during the project.

CO's Comments

Want to thank the entire Naval Station "community" for their awareness, engagement, and participation in SC/CS 12. Lots of lessons identified that we can begin working on together. Hurricane season is right around the corner, and so many of the objectives we tested last week apply in weather conditions. So, we do not have a hiatus on them is NOW. Most of you should have received the Command Authorities Ashore brief from either Region, me or my JAG. If you need that presentation, I can personally provide. It talks to authorities that are so important during events like these. Two other umbrellas that you probably are not aware that I track for almost all tenants including ships are: NMCR Fund Drive. Most of you are in the Naval Station Sub-Area, and we are hardly making the halfway of our goal. Please work towards as LEAST 100% contact. The other item is NFAAS semi-annual update. Everyone is required to validate their NFAAS data twice a year. The deadline is 31 March. We were only at 84%. HELP!!!

Lots going on in the near term...Clean the Station Day - one of my favorites where we can get out and "OWN IT!"

Car Wash Reminder

Personal vehicle washing at NSN is only permitted at the U-115/120 MWR Car Wash. In addition, fundraising car washes are only permitted at the Dental Clinic (CD-3) after receiving permission from Base Legal and Dental Clinic Staff. POCs for the Dental Clinic are Chief Washington (953-8611) or Senior Chief Hodae (953-8537/8566).
