Subj: COMMANDING OFFICER'S POLICY ON EQUAL EMPLOYMENT OPPORTUNITY AND DIVERSITY

1. It is the responsibility of NAS Fort Worth JRB leaders to ensure Sailors reach their full potential in an environment that values diversity and fosters mutual respect. Consistent adherence to a fair Equal Employment Opportunity (EEO) policy is an inseparable part of sound leadership and readiness.

2. EEO is more than fair treatment. It's that, of course, but it's also the law. It is my personal commitment to ensure a working environment free from discrimination based on gender, religious affiliation, race, age, national origin or ethnicity.

3. The Department of the Navy Equal Opportunity Mission is:

a. "To ensure mission readiness, every member of the Department of the Navy must be afforded an equal opportunity to become a productive member of the Navy team. Unprofessional behavior destroys trust and confidence and combat readiness, and is contrary to our core values of Honor, Courage, and Commitment."

4. Negative behaviors such as unlawful discrimination adversely affect good order and discipline, and will not be tolerated.

5. It's not complicated, simply treat your shipmates with the respect due their service, and demand the same.
