

SOAR (Student Online Achievement Resources)

SOAR is a program for military families and the school districts that serve them. It aims to address the unique challenges facing military children in our nation's public schools, while benefiting the overall student population. SOAR Home is an internet-based application, which is easily accessible worldwide.

Parent components include:

- Easy access to their children's accounts
- Links to military installations, transition resources and school websites.
- Resources for at-home learning activities
- Message board
- State-specific resources, such as state learning standards
- Links to Department of Education and other educational resources websites

Student components include:

- Assessments aligned with state standards to identify their strengths and weaknesses in reading and mathematics
- Tutorial lessons to reinforce and review skills not mastered

SOAR School provides assessment and remediation tools, as well as professional development for teachers and staff. For more information, go to <http://www.soarathome.com/> .
