

JBP HH Organization

Legend:

- Installation Support Chain of Command
- Delegated Authority
- - - - AF Mission Chain of Command
- ▭ Navy Lead
- ▭ AF Lead
- ▭ Navy or AF Lead

FSS • Force Support Squadron
 SFS • Security Forces Squadron
 CES • Civil Engineering Squadron
 CONS • Contracting Squadron
 LRS • Logistics Readiness Squadron
 CS • Communications Squadron

The appearance of USAF units/commands on this organization chart is a visual aid to indicate functionally where the USAF squadrons align relative to the JBP HH command structure for delivery of installation support. USAF units are not embedded in the JBP HH organization. Only USAF personnel in those units assigned to JBSCFS billets will be embedded in the JBP HH organizational structure and operate under the authority, direction, and control of the JBC. See Annex A of the MOA for additional information.
