Dear Applicant,

The position for which you have been selected for with the Pearl Harbor Naval Shipyard and Intermediate Maintenance Facility (PHNSY&IMF) has established physical requirements that must be met prior to starting work.

The PHNSY&IMF has an urgent need for your skill. Your hiring code has requested that you start work pending satisfactory completion of your physical examination.

This means your start date can be set, if you accept the following conditions that will be placed on your appointment. “Your appointment and continuing employment in above position will be contingent upon satisfactory results of your medical examination. If you fail to meet the medical requirements for the position, your appointment will be terminated.”

Please acknowledge understanding of this condition of continuing employment and check one of the options below.

NADINE E. BAYNE  
 Director

PRE-EMPLOYMENT PHYSICAL EXAMINATION AGREEMENT

I have read and understand the Condition of Employment in connection with the Waiver of Pre-employment Physical Examination for the position I have accepted and have opted to (check one):

I accept the conditions stated above. I further understand that my appointment will be subject to my meeting the medical requirements of the position and if I fail to meet these requirements, my appointment will be terminated. Please set my start date.

I request to wait for the satisfactory results of my medical examination before starting my employment.
