Subj: Federal Long Term Care Insurance Webinars

1. You can apply for coverage under the Federal Long Term Care Insurance Program (FLTCIP) at any time. LTC Partners are offering informational webinars to help employees interested in learning more about long term care, FLTCIP plan options, and the application process. Spouses/same-sex domestic partners may also register and are free to attend from home or their place of business. A FLTCIP expert will:

- discuss the importance of planning for potential long term care needs
- review FLTCIP benefit options, with tips on personalizing your own plan
- highlight the advantages of applying now, including cost
- answer your questions

By preparing now, you can help protect your future and those whom you care most about. Space is limited, so be sure to take advantage of this online opportunity to learn more.

2. To register click on this link <https://www.ltcfeds.com/webinar/index.html>. Webinar registrants will automatically receive sample rate quotes via email if they include their date of birth with the registration.

3. Questions about FLTCIP can be directed to the LTC Partners by telephone at 800-582-3337 or by email at info@lhcpartners.com. The TTY number for the deaf and hard of hearing is 800-843-3557.
