SHOPPING – VINAWALK

Fleet and Family Support Center, U.S. Naval Air Facility Atsugi Japan

INFORMATION: This is an "outdoor" mall. It has three levels and one major department store OIOI. There are several restaurants located on the upper levels of this department store. American favorite "Gap" and Starbucks are also located here. One store, UNI QLO is like the Gap and more affordable! Our family loves it! On beautiful weather days, this mall is a must see! There are several stores for womens', childrens', and mens' clothing. Also available are hobby shops for train collectors as well as stationery shops and a music store. If you would like to watch a movie in a Japanese theatre, it's here! Parking is available but expensive. You can have it validated at most stores if you spend the equivalent of \$20. Take Yen, although most stores accept your VISA or Mastercard. Happy Shopping!
