NAVSUPPACT NAPLES INSTRUCTION 1740.1C

From: Commanding Officer, U.S. Naval Support Activity, Naples,
Italy

Subj: FAMILY CARE PLAN (FCP) POLICY

Ref: (a) OPNAVINST 1740.4 (Series)
(b) MILPERSMAN Article 1754-030

Encl: (1) NAVPERS 1740/6 (Sample)
(2) NAVPERS 1740/7 (Sample)
(3) Family Care Plan Checklist

1. Purpose. To assist service members in developing workable Family Care Plans (FCP), and establish procedural requirements for the implementation and management of the FCP per references (a) and (b).
2. Cancellation. NAVSUPPACT NAPLES INST 1740.1B.
3. Applicability and Scope. This instruction applies to all single service members or members of dual military couples that have custodial responsibility for family members or other dependents that are assigned to NAVSUPPACT Naples.
4. Background. The nature of naval service dictates that members must be ready to deploy throughout the world on short notice and be able to fully execute their military and professional duties. For members with dependents, the ability to meet this requirement is directly related to the degree of prior family care planning. Thorough planning benefits both the Navy and the member by ensuring proper care for dependents, reduced stress on the member and a deployable asset for the command. Planning to ensure the care of family members and dependents is of great value and is required for every member. However, it is especially crucial for single members with dependents and members of dual military couples with dependents.

30 SEP 2011

5. Requirements

a. The member has the responsibility of ensuring family members are cared for during deployments, reserve mobilizations, and temporary duty, as well as at all other times. The primary responsibility for initiating and developing a workable FCP rests with the individual member. It is the responsibility of the member to provide the caregiver all information and documentation needed to execute the plan and provide for the member's dependents. Formal documentation of a member's FCP is required under any of the following conditions:

(1) a single parent with custody of children under 18 years of age; or

(2) both members of a dual military couple with custody of children under 18 years of age; or

(3) family circumstances or other personal status changes in which the member becomes solely responsible for the care (housing, medical, logistical, financial, food, clothing, or transportation) of another person. Such circumstances are delineated in reference (a).

b. The FCP should designate one or more caregivers who will agree to provide for the affected members of the family or dependents. Enclosures (1) and (2) will be used to document the plan. By signing these forms, the caregiver acknowledges and accepts responsibility for the care of the member's family and understands the provisions contained in the plan for short and long-term separations.

6. Action

a. Program Administrator. The Administration Officer is the Family Care Plan Coordinator and is responsible for:

(1) ensuring members receive counseling and complete enclosures (1) and (2) during the check-in process through the Administration Department. Affords members sufficient time (60 days) for the completion of all required FCP documents; and

(2) monitoring an annual review of dependent care certificates and maintaining command copies of enclosure (1); and

30 SEP 2011

(3) maintaining a copy of enclosure (1) for each service member in a composite file to serve as a ready reference in the event of mobilization, planned or unplanned operations requiring a member's absence.

b. Members. Members who meet criteria as defined in paragraph 5.a. will:

(1) submit a new or updated FCP to the FCP Coordinator upon arrival to the command and within 60 days of the following:

(a) upon change in caregiver circumstances;

(b) upon the birth or adoption of a child, or assumption of sole care for an elderly or disabled family member;

(c) upon change in personal or family circumstances.

(2) verify the FCP for currency under the following conditions:

(a) annually;

(b) prior to reenlistment or extension of obligated service;

(c) prior to executing Permanent Change of Station orders, especially to training (advanced, "A" or "C" schools, graduate education, scholarship/commissioning/out-service education programs, etc.).

(3) when being screened for overseas assignment, submit or update their FCP to cover any period of absence by the member (i.e., between the departure of the member for, and the arrival of the family members at, the overseas assignment, or in the event of an unaccompanied tour);

(4) ensure the FCP is in accordance with the minimum requirements outlined in reference (a);

30 SEP 2011

(5) request, as necessary, information and assistance in developing family care plans from the command. A checklist is provided as enclosure (3) to assist in developing and reviewing the adequacy of plans;

(6) provide the caregiver(s) with all necessary legal documents, including power(s) of attorney;

(7) provide the caregiver with reasonably available information on existing military and private sector community support resources where a caregiver can receive assistance. This should include locations and points of contact of the member's command;

(8) discuss with and provide information to the caregiver on the parental goals desired during a long-term separation.

NOTE: Failure to maintain an up-to-date FCP can subject a service member to separation from the Navy.

c. Dual Military Couples. Dual military couples who are required under this instruction to have a FCP must develop a single plan which will be signed by both members. Additional requirements are:

(1) both members shall maintain a copy of their FCP with their respective commands;

(2) in the event that a FCP is not or cannot be established, Navy Military Personnel Command (Pers-2) will determine which member may be separated based on the needs of the Navy;

(3) in the instance of a Navy member married to a member of another military service, the Navy member shall complete a FCP per this instruction;

(4) a copy of the Navy's FCP, signed by both members, will be forwarded to the spouse's unit. The Navy member will also provide his/her command with a copy of the equivalent plan for the spouse's service;

30 SEP 2011

(5) the details described in each FCP should be reviewed for consistency. In this manner, both member's commands and services can remain fully informed concerning the members' Family Care Plan.

d. Fleet and Family Support Center (FFSC). The FFSC, upon request of the member or the Commanding Officer, will provide information and assistance, as well as individual counseling to members as required for the development of a Family Care Plan.
