Move Aboard

Circumstances dictate that **personnel and dependents are threatened by their remaining off-installation**, a “Move Aboard” of these personnel will be initiated to bring personnel on-base where more protection is available until a time and threat level deemed appropriate for return home or evacuation.

- Information to be passed out by EM Reps and mass notification
- Evacuation Kit!!! (Pets, Meds, Baby Supplies, Documents, Valuables)
- Care will be provided throughout entire operation until released
- Could be a stand alone operation, could result from an evacuation, or could lead into an evacuation.

EMERGENCY MANAGEMENT OFFICE

NSA BAHRAIN

Evacuation

- NEO versus DRO
- **Different types: Voluntary vs. Mandatory**
- Information to be passed out by EM Reps and mass notification in the event
- Evacuation Kit!!! (Pets, Meds, Baby Supplies, Documents, Valuables)
- Care will be provided throughout entire operation
- May be brought back to Bahrain if situation is short-term, may be taken CONUS otherwise with potential intermediate stops.
